

Dining at The Pacific Breeze Restaurant and Bar

Last Updated Tuesday, 06 May 2008

Pacific Breeze, at Tiri Villas, is a casual dining restaurant with friendly service. It is a rustic, open-air restaurant and bar with panoramic views overlooking the Pacific Ocean. We offer continental and regional cuisine, taking full advantage of fresh, locally-caught fish, locally-grown fruits and vegetables, and exotic spices. Our restaurant is open daily for breakfast, lunch, and dinner. The intimate bar offers a selection of spirits, wines, and beers.
